

Propose at Secrets

At Secrets on the Lake, we know proposals can feel overwhelming to plan. That's why we've created packages designed to make it simple, romantic, and unforgettable. All you need to do is choose the style – and we'll handle the rest.

Every proposal at Secrets is unique—and these packages are just the beginning.

If you have something special in mind, we'd love to help bring your vision to life. Whether it's a grand gesture or an intimate moment, we're here to tailor the experience just for you.

All of our packages can be enhanced with premium champagne upgrades like Veuve or Moët, couple's massages, or a professional photography session with our trusted suppliers—because your love story deserves nothing less than unforgettable.

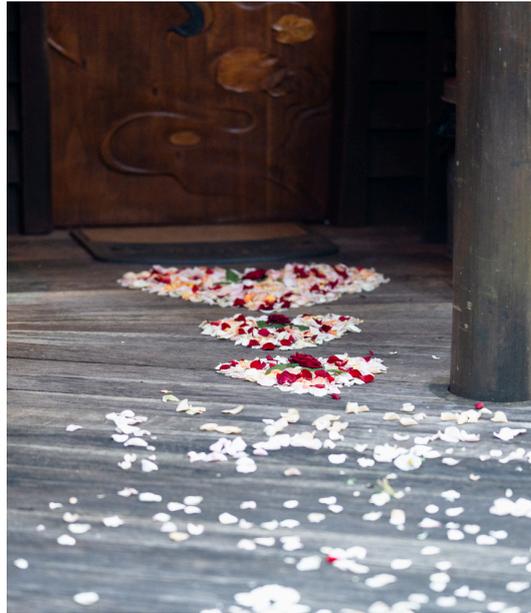

These packages are simply a starting point for those seeking a no-fuss option, but we are always happy to customise every detail to create a proposal as personal and meaningful as your love.
